C

cancer
ACP issues guidelines on the early detection of prostate cancer and screening for prostate cancer (*med rep*), October 15, p. 1674
ACS updates guidelines on screening for colorectal cancer (*med rep*), November 1, p. 1887
local treatment of rectal cancer (*article*), October 15, p. 1622
prostate cancer screening—what's a physician to do? (*ed*), October 15, p. 1563

cardiovascular disease
American College of Cardiology and American Heart Association address the use of echocardiography (*med rep*), October 1, p. 1489
common cardiovascular problems in the young: part I. Murmurs, chest pain, syncope and irregular rhythms (*article*), November 1, p. 1825
common cardiovascular problems in the young: part II. Hypertension, hypercholesterolemia and preparticipation screening of athletes (*article*), November 15, p. 1993
diagnosis and treatment of abdominal aortic aneurysms (*article*), September 15, p. 1081
evaluation and treatment of orthostatic hypotension (*article*), October 1, p. 1378
homocysteine: a new risk factor for artherosclerosis (*article*), October 15, p. 1607
homocysteine levels and cardiovascular disease (*ed*), October 15, p. 1568
myocardial revascularization in 1997: angioplasty versus bypass surgery (*article*), October 1, p. 1409
preventing stroke in atrial fibrillation (*article*), December, p. 2242
relative risk reduction for cardiovascular disease (*let*), September 15, p. 1062
spirometric findings and cardiovascular risk (*let*), September 15, p. 1071
surgical patients with heart disease: summary of ACC/AHA guidelines (*article*), September 1, p. 811

cataract
corneoscleral perforation following sigmoidoscopy (*let*), September 15, p. 1062

chest pain
common cardiovascular problems in the young: part 1. Murmurs, chest pain, syncope and irregular rhythms (*article*), November 1, p. 1825
thrombolytic therapy in aortic dissection (*let*), September 1, p. 738

children
ADHD: the role of the family physician (*ed*), July, p. 42
common cardiovascular problems in the young: part I. Murmurs, chest pain, syncope and irregular rhythms (*article*), November 1, p. 1825
common cardiovascular problems in the young: part II. Hypertension, hypercholesterolemia and preparticipation screening of athletes (*article*), November 15, p. 1993
evaluating the hyperactive child in your office: is it ADHD? (*article*), July, p. 155
milk, eggs and peanuts: food allergies in children (*article*), October 1, p. 1365
Project Read—the importance of early learning Rx: read to your child (*med soc*), December, p. 2195
repairing lacerations in children (*let*), October 15, p. 1582

chronic cough
chronic cough (*article*), October 1, p. 1395

chronic illness
foot infections in patients with diabetes (*article*), July, p. 195
new oral therapies for type 2 diabetes (*article*), November 1, p. 1835
NAEPP guidelines: progress in asthma management (*ed*), August, p. 368
NHLBI issues updated guidelines for the diagnosis and management of asthma (*med rep*), August, p. 621
NIH develops consensus statement on interventions to prevent HIV risk behaviors (*med rep*), August, p. 623
opportunistic infections and psychosocial stress in HIV (article), July, p. 87
providing asthma education in primary care practice (*article*), July, p. 117
reducing the complications of type II diabetes: a patient-centered approach (*article*), August, p. 471
salmeterol in the treatment of chronic asthma (*article*), August, p. 558
type II diabetes: time for more aggressive therapy? (*ed*), August, p. 364

chronic pain
three types of chronic pain (*let*), October 1, p. 1308
upper extremity bursitis (*article*), November 1, p. 1797

clozapine
new drugs for schizophrenia: an update for family physicians (*article*), September 15, p. 1149

colitis
transient ischemic colitis in young adults (*article*), September 15, p. 1103

colorectal cancer
ACS updates guidelines on screening for colorectal cancer (*med rep*), November 1, p. 1887

constipation
diagnostic imaging in the evaluation of constipation in adults (*article*), August, p. 513

coronary artery disease
management of stable coronary artery disease (*article*), July, p. 99
stable coronary artery disease: the family physician's approach (*ed*), July, p. 31

corrections
"Clinical Quiz," September 1, p. 747; November 1, p. 1728
dermatoses in newborns (*article*), November 15, p. 1970
"Diary from a Week in Practice," November 15, p. 1970
drug interactions: keeping it straight (*article*), November 1, p. 1728 and December, p. 2192
drug therapy for hypertension (*article*), November 1, p. 1728
pain relief after surgery (*pat info*), December, p. 2192
"Special Medical Reports," September 1, p. 747
"Tips from Other Journals," November 15, p. 1970
treating chronic pain (*article*), October 1, p. 1308

corticosteroids
antenatal corticosteroid therapy: beyond a shadow of a doubt (*ed*), September 15, p. 1053
use of antenatal corticosteroids for fetal maturation in preterm infants (*article*), September 15, p. 1093

counseling
counseling the infertile couple: when enough is enough (*let*), July, p. 50

D

deaf patients
issues to consider in deaf and hard-of-hearing patients (*article*), November 15, p. 2057
understanding deaf and hard-of-hearing patients (*ed*), November 15, p. 1953

death
certification of death by family physicians (*article*), October 1, p. 1433
death certificates: why it matters how your patient died (*ed*), October 1, p. 1287
dying with dignity (*let*), July, p. 55

deep venous thrombosis
diagnostic imaging of lower limb deep venous thrombosis (*article*), September 1, p. 791

delirium
behavioral and pharmacologic treatment of delirium (*article*), November 15, p. 2005

depression
antidepressant withdrawal reactions (*article*), August, p. 455
mirtazapine revisited (*let*), December, p. 2190

Index to Volume 56

dermatoses
dermatoses in newborns (*article*), August, p. 443

diabetes
ADA recommends a lower fasting glucose value in the diagnosis of diabetes mellitus (*med rep*), November 15, p. 2128
foot infections in patients with diabetes (*article*), July, p. 195
guidelines on the care of diabetic nephropathy, retinopathy and foot disease (*article*), November 15, p. 2021
new oral therapies for type 2 diabetes (*article*), November 1, p. 1835
reducing the complications of type II diabetes: a patient-centered approach (*article*), August, p. 471
type II diabetes: time for more aggressive therapy? (*ed*), August, p. 364

diagnostic imaging
American College of Cardiology and American Heart Association address the use of echocardiography (*med rep*), October 1, p. 1489
diagnostic imaging in the evaluation of constipation in adults (*article*), August, p. 513
diagnostic imaging of lower limb deep venous thrombosis (*article*), September 1, p. 791
hepatic hydrothorax: possible etiology of recurring pleural effusion (*article*), August, p. 523
stress and insufficiency fractures (*article*), July, p. 175

diarrhea
transient ischemic colitis in young adults (*article*), September 15, p. 1103

diet
nutrition during pregnancy (*article*), July, p. 205

digoxin
serum digoxin concentration: ten questions to ask (*article*), August, p. 495

drug interaction
drug-induced disorders (*article*), November 1, p. 1781
drug interactions: keeping it straight (*article*), September 1, p. 883
drug interactions with the nonsedating antihistamines (*article*), July, p. 223
monitoring for adverse drug events (*ed*), November 1, p. 1718

drug labeling
prescription to over-the-counter drug switches (*FDA*), September 15, p. 1211

drug resistance
antibiotics vs. resistant organisms arms race (*let*), November 1, p. 1724
issues in the management of bacterial meningitis (*article*), October 1, p. 1355

E

echocardiography
American College of Cardiology and American Heart Association address the use of echocardiography (*med rep*), October 1, p. 1489

elderly
changing approach to falls in the elderly (*article*), November 1, p. 1815

emergency medicine
emergency medicine and family physicians (*let*), August, p. 382

epilepsy
epilepsy in pregnancy (*article*), October 15, p. 1631

Epstein-Barr virus
Epstein-Barr virus infection in infants and their mothers (*let*), August, p. 380

erectile dysfunction
goal-directed therapy for erectile dysfunction (*let*), August, p. 379

***Escherichia coli* strain O157:H7**
enterohemorrhagic *Escherichia coli* O157:H7—an emerging pathogen (*article*), September 1, p. 853

eye
corneoscleral perforation following sigmoidoscopy (*let*), September 15, p. 1062

providing asthma education in primary care practice (*article*), July, p. 117
NIH consensus development conference targets prevention and management of hepatitis C (*med rep*), September 1, p. 959
1997 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part I. Prevention of exposure (*article*), September 1, p. 823
1997 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part II. Prevention of first episode of disease (*article*), September 15, p. 1131

Index to Volume 56

1997 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part III. Prevention of disease recurrence (*article*), October 1, p. 1387

procedures
corneoscleral perforation following sigmoidoscopy (*let*), September 15, p. 1062
nail gun injuries of the hand (*article*), October 15, p. 1643

Project Read
Project Read—the importance of early learning Rx: read to your child (*med soc*), December, p. 2195

prostate cancer
ACP issues guidelines on the early detection of prostate cancer and screening for prostate cancer (*med rep*), October 15, p. 1674
prostate cancer screening—what's a physician to do? (*ed*), October 15, p. 1563

psychosocial stress
opportunistic infections and psychosocial stress in HIV (*article*), July, p. 87

psychostimulants
attention-deficit hyperactivity disorder: to treat or not (*let*), September 1, p. 734

pulmonary disease
spirometric findings and cardiovascular risk (*let*), September 15, p. 1071

pulmonary emboli
diagnostic imaging of lower limb deep venous thrombosis (*article*), September 1, p. 791

Q

R

rectal cancer
local treatment of rectal cancer (*article*), October 15, p. 1622

relative risk reduction
relative risk reduction for cardiovascular disease (*let*), September 15, p. 1062

respiratory illness
pertussis: an update on primary prevention and outbreak control (*article*), September 15, p. 1121

retinopathy
guidelines on the care of diabetic nephropathy, retinopathy and foot disease (*article*), November 15, p. 2021

revascularization
myocardial revascularization in 1997: angioplasty versus bypass surgery (*article*), October 1, p. 1409

review articles
how timely is *AFP*? (*let*), October 1, p. 1302

risperidone
new drugs for schizophrenia: an update for family physicians (*article*), September 15, p. 1149

S

safety
changing approach to falls in the elderly (*article*), November 1, p. 1815
melatonin (*article*), October 1, p. 1421

salivary gland
pleomorphic adenoma of the parotid (*article*), July, p. 185

salmeterol
salmeterol in the treatment of chronic asthma (*article*), August, p. 558

schizophrenia
APA practice guideline for the treatment of patients with schizophrenia (*med rep*), September 15, p. 1217
new drugs for schizophrenia: an update for family physicians (*article*), September 15, p. 1149

seizures
epilepsy in pregnancy (*article*), October 15, p. 1631
evaluation and management of first seizures in adults (*article*), September 15, p. 1113

sensorimotor system
complex regional pain syndrome (*article*), December, p. 2265
reflex sympathetic dystrophy: fact and fiction (*ed*), December, p. 2182

sexual function
goal-directed therapy for erectile dysfunction (*let*), August, p. 379

sexually transmitted disease
AAP develops recommendations for the evaluation and treatment of HIV-exposed infants (*med rep*), December, p. 2351
HIV management update (*let*), December, p. 2186
new era in HIV care (*ed*), July, p. 37
NIH develops consensus statement on interventions to prevent HIV risk behaviors (*med rep*), August, p. 623
opportunistic infections and psychosocial stress in HIV (*article*), July, p. 87
prophylaxis after HIV exposure (*let*), October 15, p. 1574
prophylaxis of opportunistic infections in HIV/AIDS (*ed*), September 15, p. 1039
1997 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part I. Prevention of exposure (*article*), September 1, p. 823
1997 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part II. Prevention of first episode of disease (*article*), September 15, p. 1131
1997 USPHS/IDSA guidelines for the prevention of opportunistic infections in persons infected with HIV: part III. Prevention of disease recurrence (*article*), October 1, p. 1387

shoulder
upper extremity bursitis (*article*), November 1, p. 1797

sigmoidoscopy
corneoscleral perforation following sigmoidoscopy (*let*), September 15, p. 1062

sinusitis
administering topical steroids in sinusitis with head inverted (*let*), October 1, p. 1301

skin conditions
dermatoses in newborns (*article*), August, p. 443
necrotizing fasciitis: a diagnostic challenge (*article*), July, p. 145
recognition and management of Lyme disease (*article*), August, p. 427

sleep apnea
obstructive sleep apnea and secondary hypertension (*let*), November 1, p. 1728

smoking
chronic cough (*article*), October 1, p. 1395

spirometry
spirometric findings and cardiovascular risk (*let*), September 15, p. 1071

steroids
administering topical steroids in sinusitis with head inverted (*let*), October 1, p. 1301
antenatal corticosteroid therapy: beyond a shadow of a doubt (*ed*), September 15, p. 1053
use of antenatal corticosteroids for fetal maturation in preterm infants (*article*), September 15, p. 1093
withdrawing patients from glucocorticoid therapy (*let*), September 1, p. 736

streptococcal infection
necrotizing fasciitis: a diagnostic challenge (*article*), July, p. 145

stress fracture
stress and insufficiency fractures (*article*), July, p. 175

stress incontinence
AUA releases treatment guidelines for female stress urinary incontinence (*med rep*), November 1, p. 1891

stroke
preventing stroke in atrial fibrillation (*article*), December, p. 2242

substance abuse
naltrexone for the treatment of alcoholism (*article*), September 1, p. 803
risk of IV abuse of oral morphine sulfate (*let*), October 1, p. 1307

supplements
melatonin (*article*), October 1, p. 1421

surgery
myocardial revascularization in 1997: angioplasty versus bypass surgery (*article*), October 1, p. 1409

optimizing postoperative pain management (*article*), September 1, p. 835
surgical patients with heart disease: summary of the ACC/AHA guidelines (*article*), September 1, p. 811

syncope
common cardiovascular problems in the young: part I. Murmurs, chest pain, syncope and irregular rhythms (*article*), November 1, p. 1825

T

terfenadine
drug interactions with the nonsedating antihistamines (*article*), July, p. 223

thrombolysis
thrombolytic therapy in aortic dissection (*let*), September 1, p. 738

thrombosis
diagnostic imaging of lower limb deep venous thrombosis (*article*), September 1, p. 791
evaluation of recurrent thrombosis and hypercoagulability (*article*), October 15, p. 1591
menopause and the risk of thromboembolism (*let*), November 1, p. 1723

troglitazone
new oral therapies for type 2 diabetes (*article*), November 1, p. 1835

tuberculosis
occupational infections in health care workers: prevention and intervention (*article*), December, p. 2291

tumor
pleomorphic adenoma of the parotid (*article*), July, p. 185

U

urinary incontinence
AUA releases treatment guidelines for female stress urinary incontinence (*med rep*), November 1, p. 1891

V

vaccine
advisory committee on immunization practices issues recommendations for the 1997-98 influenza season (*med rep*), July, p. 279
immunizations: current recommendations (*article*), September 1, p. 865

varicella
occupational infections in health care workers: prevention and intervention (*article*), December, p. 2291

venlafaxine
venlafaxine (*let*), November 15, p. 1964

W

warfarin
evaluation of recurrent thrombosis and hypercoagulability (*article*), October 15, p. 1591
preventing stroke in atrial fibrillation (*article*), December, p. 2242

weight
weight and height as screening measures for adults (*let*), September 15, p. 1068

withdrawal symptoms
antidepressant withdrawal reactions (*article*), August, p. 455
monitoring for adverse drug events (*ed*), November 1, p. 1718
withdrawing patients from glucocorticoid therapy (*let*), September 1, p. 736

work-related injuries
nail gun injuries of the hand (*article*), October 15, p. 1643

World Wide Web
world wide web resources for family physicians (*res stu voice*), October 1, p. 1501

Z

zidovudine
AAP develops recommendations for the evaluation and treatment of HIV-exposed infants (*med rep*), December, p. 2351

Patient Information Index

adverse reactions
things to know about adverse reactions to medicine, November 1, p. 1791

asthma
chronic cough: causes and cures, October 1, p. 1403
how to use your metered-dose inhaler, July, p. 142
things to know if you have asthma, July, p. 131

brain and nervous system
does your hyperactive child have ADHD?, July, p. 168
epilepsy and pregnancy—what you should know, October 15, p. 1638
living with migraine headaches, November 15, p. 2051
new drugs for schizophrenia, September 15, p. 1159

children
does your hyperactive child have ADHD?, July, p. 168

circulatory system
excessive blood clotting (hypercoagulation), October 15, p. 1601

diabetes
caring for your diabetes, November 15, p. 2033
getting control over diabetes, August, p. 479

ears
tips to help you work with your doctor if you are deaf or hard-of-hearing, November 15, p. 2067

elderly
decreasing your risk of falls, November 1, p. 1823

female reproductive system
epilepsy and pregnancy—what you should know, October 15, p. 1638

flu and colds
chronic cough: causes and cures, October 1, p. 1403

heart disease
angina and heart disease, July, p. 111
homocysteine, October 15, p. 1615
what you should know about digoxin, August, p. 509

infections and viruses
Escherichia coli O157:H7 infection, September 1, p. 859
infections in health care workers, December, p. 2303
Lyme disease, August, p. 439
pets and parasites, November 1, p. 1777
preventing exposure to infections if you have HIV, September 1, p. 831

lungs
chronic cough: causes and cures, October 1, p. 1403
how to use your metered-dose inhaler, July, p. 142
some helpful information about prescription antihistamines, July, p. 231
things to know if you have asthma, July, p. 131

medicines
how to use your metered-dose inhaler, July, p. 142
new drugs for schizophrenia, September 15, p. 1159
pain relief after surgery, September 1, p. 847

Index to Volume 56

some helpful information about prescription antihistamines, July, p. 231
things to know about adverse reactions to medicine, November 1, p. 1791
what you should know about digoxin, August, p. 509

mental health
new drugs for schizophrenia, September 15, p. 1159

musculoskeletal disorders
why does my shoulder hurt?, November 1, p. 1811

nutritional supplements
melatonin, October 1, p. 1428

occupational exposure
infections in health care workers, December, p. 2303

pain
complex regional pain syndrome, December, p. 2275
pain relief after surgery, September 1, p. 847

pregnancy
eating right during pregnancy, July, p. 216
epilepsy and pregnancy—what you should know, October 15, p. 1638

prevention
decreasing your risk of falls, November 1, p. 1823
eating right during pregnancy, July, p. 216
Escherichia coli O157:H7 infection, September 1, p. 859
infections in health care workers, December, p. 2303
Lyme disease, August, p. 439
pets and parasites, November 1, p. 1777
preventing exposure to infections if you have HIV, September 1, p. 831
things to know about adverse reactions to medicine, November 1, p. 1791

respiratory diseases
chronic cough: causes and cures, October 1, p. 1403
how to use your metered-dose inhaler, July, p. 142
some helpful information about prescription antihistamines, July, p. 231
things to know if you have asthma, July, p. 131

STDs, AIDS and HIV
infections in health care workers, December, p. 2303
preventing exposure to infections if you have HIV, September 1, p. 831

women's health
eating right during pregnancy, July, p. 216
epilepsy and pregnancy—what you should know, October 15, p. 1638
